VENUE TECHNICIAN (Lighting Bias)

Job Description

Brighton Fringe is the biggest open access, mixed arts event in England and this year will run from **5 May – 4 June 2017**.

Otherplace is one of the largest operators in the Fringe and this year will transform the green behind St Peter's Church on York Place into Brighton Fringe's largest festival site – The Warren – consisting of 4 performance spaces, 2 festival bars, food stalls and a bustling Market Town.

Otherplace are looking for highly-motivated and professional staff to join our busy team for this year's festival.

Responsibilities

- To attend planning meetings as agreed with line-manager
- To work with the team during the fit-up and festival preparation
- To work with visiting companies as directed to support their shows and their technical needs
- To operate shows as required
- To assist with all turn-arounds between shows
- To take responsibility to maintain & manage site power post-build
- To represent the company in a professional, polite and efficient manner at all times across all Otherplace venues
- To adhere to the working health and safety policy for all staff and all visiting companies
- Any other duties as may reasonably be required.

Person Specification

Essential:

- Experience of working in a festival environment

- A good understanding of the ETC Ion Range
- A good understanding of lighting, sound and staging systems including power distribution and intelligent lighting
- Excellent time management and ability to prioritise tasks effectively
- The ability to work independently
- Excellent problem solving skills
- Experience of working within a technical team
- A flexible and positive attitude
- An understanding of industry-wide health and safety practises
- Strong inter-personal skills.

Desirable:

- Local resident to Brighton & Hove
- A basic understanding of sound/carpentry/video.

Fee: £2,575 inclusive

Key Dates: 21 April - Load-in
4 May - Site opens to public
5 June - Site closes
9 June - End of Load-out

To apply, please send your CV and a short email detailing why you are interested in the position and what you think you will be able to bring to the team.

Please include the job title you are applying for in the subject field.

Apply ASAP, interviews will be arranged upon application.
